Delamo Auto Dolly w 32 Gallon Utility Can, Utility Cup, & Trash Divider and 35Qt Down Press Wringer Bucket Combo, with optional 35qt Dirty Water Bucket

Works with Delamo Wringer Buckets, Dock n' Mop and Duo Dolly

#9805 Auto Dolly

Back-Saving Feature Delamo Exclusive

This unique trolley dolly is also a docking station for all Delamo wringer buckets. Designed with a large footprint and seven 3" caster wheels for stability and a base platform for long stick tools when used with the Dynamo utility can; also fits most utility cans. In addition, it features a foot pedal lock to engage and release the Delamo wringer bucket. Maximum load weight 250 lbs.

#9808 32 Gallon Dynamo Utility Can

► Utility rim has clips and storage for a broom, mop, lobby pan, wet floor sign, scrapers, tools and more.

Optional #8814 Trash Divider Bar

► Vented channels for easy trash liner removal.

► Durable and comfortable hand grips.

► Liner lock belts allow can liner to fit neatly inside can.

Delamo GREEN CLEAN

Made from Recycled Rubber Tires and Plastic

The Delamo GREEN CLEAN tools are made in the United States,

The Delamo GREEN CLEAN product line is manufactured using a proprietary scrap tire rubber and plastic compound mix made from up to 100% post-consumer recycled content.
